

High Risk/Profile Trial Planning and Operations Hosted by the Texas City Police Department and City Marshals Office

April 22, 2019

Suddenly your courthouse is thrown into the media spotlight because a pending court case.....this in turn draws attention to your community and increases risks associated with the court proceedings.

What are the risks?

How do you identify them?

How will the risks affect court operations?

How do you effectively manage court security operations in response to the risks?

These are only a few of the questions that will be addressed in this class. Our goal is to provide you with more tools and skills to meet these challenges head on if it lands on your doorstep.

Some of the topics are:

- Ingredients for a High/Risk Profile Trial
- Risks Associated with High/Risk Profile Trials
- Trial Operation and Support Teams
- Operations Planning
- Class Exercise and Presentation
