

The Central Texas Chapter's educational event and business meeting for January 8, 2021, has been postponed until our next regularly scheduled meeting on Friday, March 12, 2021.

We will miss getting together with everyone this month, but look forward to March. Kim Piechowiak, Domestic Violence Training Attorney with the Office of Court Administration, will be our speaker. The title of her education is "Texas Protective Order Registry: Beyond the Basics". This is sure to be a valuable resource for us all.

Stay safe and stay healthy fellow clerks!
